**Welcome to**  
on Tuesday 14 March 2023 to hear about the  
results of our international projects in Eduko  
and to share good practices.

The NextSteps@TechVET project has developed training materials for teachers as 'Learning Ambassadors\*' and for Jobcentres, tools, as well as the labels to demonstrate your skills.  
The Equity project has focused on integrating immigrants into working life and studies as smoothly and quickly as possible, and on developing staff skills.
